# APPENDIX

| Projections | Estimated Growth | Estimated Residents | Revenue | COGS | Gross Profit | Gross Margin |
|---|---|---|---|---|---|---|
| Y1 | - | 100 | $14,400 | $16,640 | -$2,240 | - |
| Y2 | 300% | 400 | $163,200 | $73,520 | $89,680 | 54.95% |
| Y3 | 150% | 1000 | $408,000 | $248,800 | $159,200 | 39.02% |
| Y4 | 300% | 4000 | $1,632,000 | $725,200 | $831,800 | 50.97% |
| Y5 | 200% | 12000 | $4,896,000 | $1,995,600 | $2,825,400 | 57.71% |

**Note:** After consulting with a VC, rising profit margins are expected when scaling a SaaS startup.
**Note:** We do not take payroll until Y3, as reflected by the GP margins.

| Expense | Type of Expense | Cost |
|---|---|---|
| Payroll (After Y2) | Annual | 80,000 |
| Initial Investment | Fixed | 75,000 |
| Hosting Services | Annual | 10,000 |
| Licensing Fees | Monthly | 20% |
| Nursing Homes | Monthly | 15% |
| Hardware | Monthly | 40$ / Sale |

## Milestones

| Milestone | Timeline |
|---|---|
| Incorporate as LLC | Apr. 24 |
| Sign 5 Clients on Pilot Program | Jun. 24 |
| Completed Prototype | Sept. 24 |
| Start Pilot Program | Oct. 24 |
| Continue Iteration & Release Pryva v1 | Dec. 24 |
| 10 Clients | Apr. 25 (On Target) |
